

# ABOUT EFGHAVEN

EFGHaven is more than a talk forum, it's a movement.

We are a community built on three powerful pillars: Elevate, Flourish, and Guide. We are creating safe, consistent, and transformational spaces for people to talk about the real stuff, the things that impact lives but rarely get openly discussed: money, mindset, credit, career, and connection.

Whether you're seeking direction, working toward your goals, or ready to help someone else rise, there's a place for you here.

## Our goal is to help you:

1. Elevate – Gain awareness and insight.
2. Flourish – Put knowledge into action.
3. Guide – Mentor others from your lived experience.

## COMMUNITY PRINCIPLES

### Our Shared Commitments to Growth, Respect, and Connection

Welcome to EFGHaven! We're so glad you're here. This is a space for growth, elevation, and genuine connection. To make sure everyone has a positive and respectful experience, please review our core group principles:

#### THIS IS A CIRCLE OF TRUST:

What's shared in the group, stays in the group. We honor each other's stories and the courage it takes to be vulnerable in the strictest confidence. Please refrain from sharing any content, screenshots, or personal experiences outside of the group without the individual's explicit permission. Let's respect every person's unique journey and privacy.

#### ENCOURAGEMENT, NOT CRITICISM:

This is a judgment-free zone. We're all here to lift each other up, not tear anyone down. Let's focus on offering encouragement, sharing constructive insights when appropriate, and always assume positive intent. Our collective goal is to build each other up and succeed together.

#### INSPIRATION, NOT PRESCRIPTION:

Suggestions, tools, or strategies shared here are meant to inspire, not prescribe. What works for one person may not work for another.

#### RESPONSIBLE ENGAGEMENT:

Any business or advice exchanged among members is done at your own discretion. EFGHaven is not affiliated with, endorsing, or liable for third-party interactions or services.
